NHC HealthCare, Farragut
Knoxville (Knox County), TN
CN0308-062AE

Request for a three (3) month extension of the expiration date from August 1, 2006 to November 1, 2006. This project was approved on December 17, 2003 for the addition of thirty (30) Medicare certified nursing home beds to the existing sixty (60) beds for a total of ninety (90) beds. The project was not opposed. On December 17, 2004 approval was granted for a six (6) month extension of the expiration date from February 1, 2006 to August 1, 2006 and project cost over-run from \$3,804,600 to \$5,329,500. The first extension was granted due to the facility being engaged in extensive discussions with referring physician groups and the unexpected and substantial increase in the cost of construction materials.

This extension is requested due to problems encountered during construction and delays in the delivery of materials. The project is approximately 65 percent complete and anticipated to be complete by mid-September.

Institute, Inc.
Nashville (Davidson County), TN
CN0309-084A

Vanderbilt Imaging Services, LLC (VIS), along with St. Thomas Network (STN), intends to acquire the imaging assets of Tennessee Advanced Neurodiagnostic Institute (TANI) and provide services through the existing MRI as a joint venture. This MRI, with the removal of the limitations, will allow TANI to treat all patients referred to the center by not only providing diagnosis of demyelinating diseases of the brain and spine, but also diagnosis of diseases and conditions appropriate for 3.0 T imaging.
